**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

The Notice of Acceptance of Power of Attorney mailed May 1, 2007, was mailed in error and is hereby withdrawn.

The Power of Attorney filed March 27, 2007 is not accepted since the assignee has not properly intervened as required by 37 CFR 3.71. Though the 3.73(b) statement (PTO/SB/96) provides a reel and frame (011962/0774), the documents at this reel and frame do not show an assignment to Invitrogen Corporation.

Invitrogen Corporation has not established itself as the assignee, thus, the Power of Attorney filed March 27, 2007 is not accepted.

A copy of this letter was mailed to Invitrogen Corporation. Power of attorney in this application remains with those attorneys appointed in the original declaration filed September 30, 2002. The Office regrets any inconvenience.
